

CHELMSFORD SCHOOL NUTRITION DEPARTMENT

200 RICHARDSON ROAD
NO. CHELMSFORD, MA 01863
TEL: 978 251-5111

Dear Chelmsford Public School Families,

The Chelmsford School Nutrition program meets USDA, federal, and state nutrition standards for school meals, ensuring that meals are healthy, well-balanced, and provide students all the nutrition they need to succeed at school. Now is a great time to encourage your children to choose school lunch!

Our School Nutrition Team is dedicated to providing healthy and nutritious choices every day. School meals offer a healthy alternative for your students in a safe environment.

Elementary lunches are \$2.65 and middle/high school lunches are \$3.10. Students will be provided with a PIN for Meal Magic point of sale for sales in the café. Student's PIN numbers remain with them through grade 12. If you need your child's information, please contact Nancy Antolini, Chelmsford Director of School Nutrition, at (978) 251-5111 x 5642.

Free and Reduced Household Applications:

Free/reduced priced meal applications are now available to complete online throughout the school year at <https://cpsnutrition.com/>. School year 2020-21 applications can also be downloaded from the district website. It is important that you complete the entire application and mail it in or fill it out online.

We look forward to welcoming your children back September 1st. To find out more about our healthy school meals please visit the Chelmsford School District website at: www.chelmsford.k12.ma.us or visit us on Facebook at CPS-Nutrition.

As always, we welcome any feedback in regard to our lunches.

Thank you!

Nancy Antolini, SNS Director of School Nutrition
